

ROCK

PREMIUM GLASS

FOR BEST RESULTS USE THE FITTING KIT TO APPLY YOUR NEW GLASS TO YOUR DEVICE. THIS PROTECTOR IS DESIGNED SPECIFICALLY FOR YOUR MOBILE TO ENSURE THE BEST PROTECTION

ALIGNMENT TIPS:

01.

Once cleaning is complete with the kit, align the speaker cut out on the protector and on your device, do not press the protector completely down.

02.

Now align the left and right edge to your device.

03.

Once you are happy with the alignment of all edges press down onto the screen to adhere.

04.

If there are any noticeable bubbles press down in the center and work them out to the edges.
